

22-26 апреля 2019 г., г. Москва, Россия  
Вторая Всероссийская конференция с международным участием  
**Мониторинг и биологические методы контроля вредителей и патогенов  
древесных растений: от теории к практике**  
**Monitoring and biological control methods of woody plant pests  
and pathogens: from theory to practice**  
Second International Conference  
April 22-26, 2019, Moscow, Russia

*Preliminary information*

MINISTRY OF SCIENCE AND HIGH EDUCATION OF THE RUSSIAN  
FEDERATION

V.N. Sukachev Institute of Forest FRC KSC SB RASc  
N.V. Tsitsin Main Botanical Garden RASc  
Russian Research Institute of Phytopathology

RUSSIAN ACADEMY OF SCIENCES  
Scientific Council on Forest Problems RASc

FEDERAL FORESTRY AGENCY  
Russian Research Institute of Silviculture and Mechanization of Forestry

RUSSIAN ENTOMOLOGICAL SOCIETY

INTERNATIONAL ORGANIZATION FOR BIOLOGICAL AND  
INTEGRATED CONTROL (IOBC)  
East-Palaeartic Regional Section (EPRS)

invite you to participate in the Second International Conference

**«Monitoring and biological control methods of woody plant pests and  
pathogens: from theory to practice»  
April 22-26, 2019, Moscow, Russia**

Conference venue: N.V. Tsitsin Main Botanical Garden of the Russian Academy  
of Sciences, Moscow

Conference languages: Russian and English, there will be no synchronous  
translation.

**Main conference topics:**

*Monitoring of woody plant health – morphological, physiological and instrumental  
approaches.*

*Identification of woody plant pathogens and pests: from traditional identification  
keys to Internet-techniques and molecular genetics.*

*Maintenance of woody plant resistance to pathogens and pests: biotechnological  
approaches.*

*Bioagents and biogenic substances in control of harmful organisms: reality,  
possibility and perspectives.*

*Pheromones and attractants for insect monitoring and behavior modification.*

Please note that these are the pre scheduled topics. You may devote your presentation to one of them or highlight a new problem to discuss. New additional sessions will be scheduled based on the subjects of the proposed talks.

**Dear colleagues! In order to help us to compile an interesting program we kindly ask you to fill in the attached form and send it **before December 10, 2018** to Conference organizers –**

**monitoring.confer2019@gmail.ru**

The First Information Letter will be send before December 21<sup>st</sup> 2018 to those colleagues, who will express their interest. The letter will contain information on preliminary program, accommodation, registration and abstract format. The abstract book will be published before the conference. Abstracts should fit one or two full pages (format A4), font 10, one space, with a list of references and may include tables and illustrations.

Cultural program will include possibilities to visit theaters and museums of the Russian capital.

We are looking for your participation! Please inform your colleagues about this conference!
