

All-Russia Science Conference with
International Participation,
devoted to the 75 year anniversary of the V.N.
Sukachev Institute of Forests, Siberian Branch
of the Russian Academy of Sciences

**«Forest Ecosystems of the Boreal Zone:
Biodiversity, Bioeconomy,
Ecological Risks»**

**Russia, Krasnoyarsk,
26–31 August 2019**

SECOND CONFERENCE ANNOUNCEMENT

Scientific Council on Problem of Forest of the Russian Academy of Sciences, V.N. Sukachev
Institute of Forest SB RAS, Institute of Forestry RAS,
Administration of the Krasnoyarsk Kray, Siberian Federal University,
International Institute for Applied Systems Analysis, and
International Boreal Forest Research Association

organize an All-Russia Conference with international participation

«Forest Ecosystems of the Boreal Zone: Biodiversity, Bioeconomy, Ecological Risks»

The Conference takes place from **26–31 August 2019 года in Krasnoyarsk**
at the Institute of Forest SB RAS (Russia, 660036 Krasnoyarsk, Academgorodok)

INTERNATIONAL PROGRAM COMMITTEE

Chair of the Committee

Onuchin Alexander (Institute of Forest, SB RAS, Krasnoyarsk)

Members of the Committee

Goldammer Johann (Global Fire Monitoring Center (GFMC), Germany)

Guggenberger Georg (Institute of Soil Science, Leibniz Universität, Hannover, Germany)

Kraxner Florian (International Boreal Forest Research Association, IIASA)

Kryshen Alexander (Institute of Forest, Karelian Science Center RAS, Petrozavodsk)

Krutovsky Konstantin (N.I. Vavilov Institute of General Genetics, Moscow, Göttingen Agro-Mechanical University, Germany)

Lukina Natalia (Center of Ecology and Productivity of Forests, Moscow)

Maslodudov Dmitry (Ministry of Forest Management of Krasnoyarsky Kray, Krasnoyarsk)

Pavlov Igor (Institute of Forest SB RAS, Krasnoyarsk)

Pichler Viliam (Technical University in Zvolen, Slovakia)

Syryn Andrey (Institute of Forestry RAS, Moscow)

Shvidenko Anatoly (IIASA, Institute of Forest, SB RAS, Krasnoyarsk)

Schmullius Christiane (Friedrich-Schiller University, Jena, Germany)

Vaganov Eugene (Siberian Federal University, Krasnoyarsk)

CONFERENCE THEMES

- Biodiversity and biospheric role of forest ecosystems*
 - Included a problem oriented session in plenary on “*A system approach to the assessment of the carbon cycle at the national / regional level*” (hosted by Institute of Forest, Russian Federal Forest Service, IIASA and IBFRA)
- Dynamics and monitoring of forest ecosystems*
 - Included a problem oriented session in plenary on “*Energy and matter fluxes between forest ecosystems and atmosphere and hydrosphere*”
- Anthropogenic and natural risks of forest ecosystems vulnerability*
 - Included a problem oriented session in plenary on “*Soil organic carbon in permafrost ecosystems: storage, distribution and vulnerability to climate change*”
- Tree breeding, genetic and genomic research of boreal forests*
- Biotechnology and value-added processing of forest products*
- Forest resources and forest management*

A panel discussion in plenary on the topic “Transition to sustainable forest management in boreal forests” is planned to be provided at the Conference

IMPORTANT DATES

Deadline for registration and presenting extended abstracts	10 June 2019
Notification of acceptance	15 July 2019

Extended abstracts and permission of the corresponding institution for publishing in open access shall be sent to the Organizing Committee by e-mail to if-75-conference@yandex.ru. For foreign participants the permissions are not obligatory. The extended abstracts shall be limited for maximum 5 pages (format A4).

REGISTRATION FEE

Registration fee for foreign participants is **150** Euro. The registration fee includes:

- a copy of Proceeding of the Conference
- participation in all sessions
- coffee breaks
- conference dinner

The registered foreign participants are supposed to pay the registration fee on-site, after arrival at the Conference.

The papers are presented in A4 format (210×297 mm, all margins 25 mm) in English, text editor *Word*, font *Times New Roman*, *12 pt.*, 1 space interval with division of words and alignment by width. Indent of the first line of each paragraph – 1 cm.

Size of the paper – up to **five** pages, including Summary, illustrations, tables and references.

Illustrations (pictures, graphs, photographs) should be of high quality, black-white. Framed illustrations are placed directly in the text.

Tables are printed with borders, alignment by center, 1 line after the text, *font 11pt.* The authors are requested to avoid presenting the complicated tables. An example:
